

## **Registration:**

Before using the platform, all schools must register with their email address and create a password. Please do take note of this password, although there is a 'Forgot your password' function as a backup. You only have to do this once. We would recommend you save/ bookmark the address. You can also access the system from your mobile device.

1. Go to: https://debates.concern.net/

- 2. Under 'Register' enter the fields as listed: First Name, Last Name, Email, Password, Confirm Password and tick the box below (having viewed the policies outlined in the links).
- 3. Click the purple Register button.
- 4. You will then be sent an email for verification:

- 5. Click on the link to confirm your registration.
- 6. This will take you back to the Debates Platform homepage where you can now log in with your email and newly created password.

\*You can see the 'Forgot password' option at the bottom of the log in section, if you need it\*

Registration on the Concern Debates platform is now complete!

## Creating your school account within the Debates Platform

1. Once logged in, you will be taken to the homepage and see 'My registrations'. Beneath this, click on the purple button 'Start new registration'

2. Enter your details under the 'Start here' tab: Category is already inputted, now input your School name

This means the video has been received by the debates team and will now be shared securely by the allocated adjudicator.

You have now uploaded a debate video to the Concern Debates platform!

Once the adjudication process is complete, the Concern Debates team will then contact you by email within 72 hours with the result and feedback. Please do not delete your copy of the

video until you have received your feedback in case of any technical difficulties. The videos will be automatically deleted on your behalf.
