

# WATER FOR GAZA APPEAL

EVERY DROP COUNTS

BECAUSE NO ONE SHOULD  
SUFFER FOR LACK OF WATER

**YOUR DONATION**

Concern Worldwide is working with our trusted international partners who have been operating in Gaza for 30 years. We are supporting them to deliver life-saving water to people struggling to survive.

Despite challenging circumstances, we're trucking in clean, safe water to communities from the few desalination plants still in operation in Gaza to help meet people's basic needs.
