

WATER FOR GAZA APPEAL

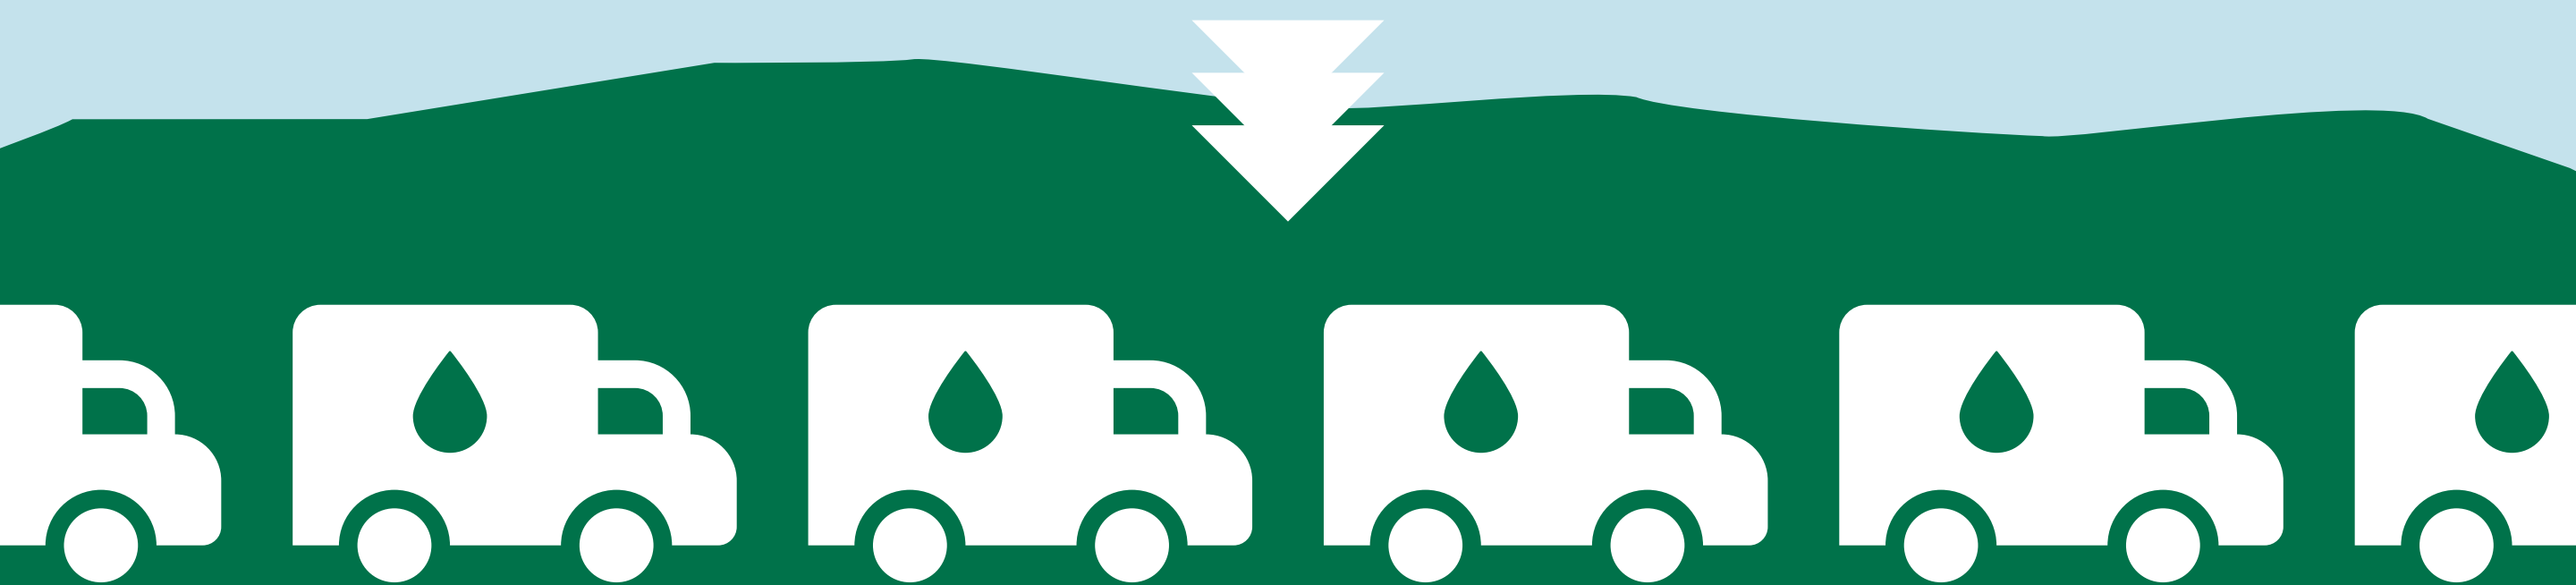

EVERY DROP COUNTS

BECAUSE NO ONE SHOULD
SUFFER FOR LACK OF WATER

YOUR DONATION

Concern Worldwide is working with our trusted international partners who have been operating in Gaza for 30 years. We are supporting them to deliver life-saving water to people struggling to survive.

Despite restrictions to aid supplies, our partners are authorised to truck in clean water to communities from the few desalination plants still in operation in Gaza to help meet people's basic needs.
