

Hello, my name is ***** and I am part of your Concern Ambassador team

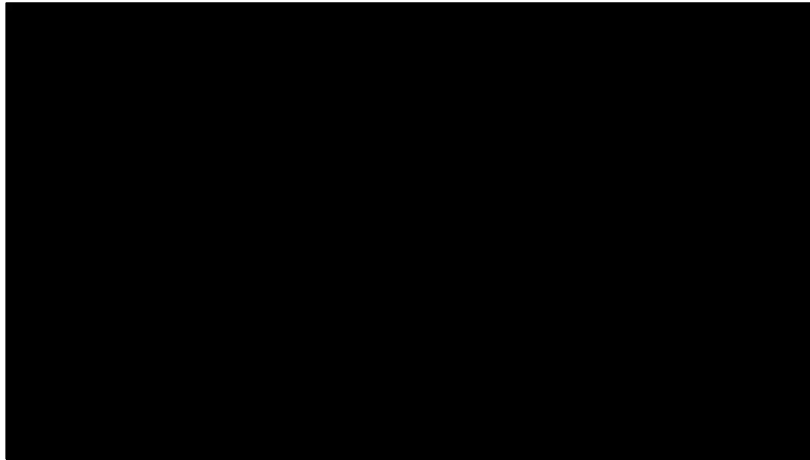

We are here to let you know about the charity Concern Worldwide and talk to you about your fundraising activity

Concern Worldwide is a charity dedicated to ending extreme poverty in the world's poorest countries.

(If using video play the next video slide – if not, continue this reading out...)

Concern works on a range of programmes, working to end the causes of extreme poverty.
Concern delivers Health and Nutrition aid, Education and Gender Equality programmes and many more, and importantly, helps in global emergency events

One of the countries featured in the video was Somalia. This is Omar from Somalia, benefitting from Concern's free education programme.

Omar and others like him continue to need our support,, we need to raise funds to help other students like Omar receive the education they deserve, but also help displaced people of Gaza, help mothers feed their children in Yemen, or help people in Afghanistan affected by the recent earthquake
